INFORMATION FOR THE ETHIOPIA E-VISA SERVICE

The validity of Ethiopian e-Visa starts from the date you intend to enter Ethiopia not from date of issue. Single entry tourist visas are valid for up to 90 days starting from the intended date of arrival in Ethiopia. If the arrival date of the traveler is changed once the e-visa has been applied, travelers can contact the e-Visa Support Team at Support@evisa.gov.et to adjust validity period of their visa or they should reapply.

The visa is applied electronically, no stamp or visa label will be placed in your passport. When the approval has been granted, we will email it to you which you must print & carry with you to Ethiopia.

The e-visa is usually valid for 1-3 months with single entry only.

You should apply no less than 7 days before your intended entry date into Ethiopia. The e-visa is usually issued within 3-5 business days but can take longer. We advise that you do not confirm any flight booking until your visa has been issued.

Entry into Ethiopia is via Addis Ababa Bole International Airport only. Upon entry, you must show the following:
Passport valid at least six months on entry with one blank visa page, Proof of sufficient funds, return flight booking, hotel reservation & hold all documents required for your next destination (visa) if you are not traveling home from Ethiopia.

Travelers can request for extension before the visa expires by going in person to the Head Office of the Immigration And Citizenship Service (Addis Ababa, Ethiopia). Travelers who stay beyond the validity period without extending are subject to fines and legal penalties.

When your documents have been received, we will check that they are correct before contacting you (via the email address provided) to confirm receipt and provide your invoice. If you prefer to send your cheque or postal order with your documents, you can, however, we request that no payment is made before we can check that everything is in order.

Payments can be made by PayPal, Bank Transfer, cheque or postal order. Please note that we do not begin to process your request until your payment has been made. All fees are per person.

When you receive the email to confirm when your documents have been received, it will contain your unique reference number. For all queries during your process, you must quote this reference number or we will not be able to provide information. This is to protect your security. We will only email with additional instruction or to confirm the return details for your passport which will contain your visa inside. You must check your documents on receipt & advise immediately if there are any queries.

You will only receive email updates if there are any delays.

For our terms and conditions, please see our website, www.visasmart.co.uk. By using our services, you are agreeing to all terms.
