INFORMATION FOR THE AUSTRALIA ELECTRONIC VISA SERVICE

This visa is applied electronically, no stamp or visa label will be placed in your passport. When the approval has been granted, we will email it to you which you must print & carry with you to Australia.

This visa allows the holder to visit Australia for unlimited times, up to 3 months per visit, within a 12-month period for tourism or basic business purposes. At the time of travel to, and entry into Australia, all holders of an eVisitor must be free from tuberculosis and must not have any criminal convictions for which the sentence or sentences (whether served or not) total 12 months or more.

You can apply up to 3 months before your intended entry date into Australia. Processing time is approximately 3-4 business days but can take longer if your information needs verification. We advise that you do not confirm any flight booking until your visa has been confirmed.

Any applicant who has spent at least 28 days or more in Afghanistan, Cameroon, Equatorial Guinea, Ethiopia, Iraq, Nigeria, Pakistan, Somalia or Syria, or any combination of these countries, either on or after the 5th of May 2014, must provide a vaccination certificate on arrival as evidence that they have been vaccinated against polio.

On arrival, applicants will need to show their original passport, proof of funds, return flight booking, accommodation booking for their stay in Australia and any document required for onward travel, such as a visa, if you are not traveling to your home country from Australia.

When your documents have been received, we will check that they are correct before contacting you (via the email address provided) to confirm receipt and provide your invoice. If you prefer to send your cheque or postal order with your documents, you can, however, we request that no payment is made before we can check that everything is in order.

Payments can be made by PayPal, Bank Transfer, cheque or postal order. Please note that we do not begin to process your request until your payment has been made. All fees are per person.

When you receive the email to confirm when your documents have been received, it will contain your unique reference number. For all queries during your process, you must quote this reference number or we will not be able to provide information. This is to protect your security. We will only email with additional instruction or to confirm the return details for your passport which will contain your visa inside. You must check your documents on receipt & advise immediately if there are any queries.

You will only receive email updates if there are any delays.
