## INFORMATION FOR THE DJIBOUTI E-VISA SERVICE

The visa is applied electronically, no stamp or visa label will be placed in your passport. When the approval has been granted, we will email it to you which you must print & carry with you to Djibouti.

The e-visa is valid for 15-90 days, according to your travel dates. The visa allows single entry only. Once applied, should your travel dates change, you will need to reapply for a new visa with the corrected travel dates.

You should apply no less than 7 days before your intended entry date into Djibouti. The e-visa is usually issued within 3 business days but can take longer. We advise that you do not confirm any flight booking until your visa has been confirmed.

When your documents have been received, we will check that they are correct before contacting you (via the email address provided) to confirm receipt and provide your invoice. If you prefer to send your cheque or postal order with your documents, you can, however, we request that no payment is made before we can check that everything is in order.

Payments can be made by PayPal, Bank Transfer, cheque or postal order. Please note that we do not begin to process your request until your payment has been made. All fees are per person.

When you receive the email to confirm when your documents have been received, it will contain your unique reference number. For all queries during your process, you must quote this reference number or we will not be able to provide information. This is to protect your security. We will only email with additional instruction or to confirm the return details for your passport which will contain your visa inside. You must check your documents on receipt & advise immediately if there are

any queries.

You will only receive email updates if there are any delays.
